

AIR QUALITY PERMIT NOTICE

Draft Title V Operating Permit

Renewal V-09-004 R1

Riverside Generating Company, LLC

Plant I.D. 21-127-00040

Riverside Generating Company, LLC has applied to the Kentucky Division for Air Quality for a permit to operate a peaking electrical power generation station at 25038 Highway 23, Catlettsburg, KY 41129. The facility utilizes five natural gas-fired turbines rated at 2,076 MMBtu/hr (208 MW) each, and two natural gas-fired indirect heat exchangers rated at 14.6 and 10.71 MMBtu/hr at Catlettsburg, Kentucky 41129. The facility has the option to apply high temperature selective catalytic reduction (SCR) for NO_x control in its operation. The NO_x emission limitations shall not exceed any permitted limit when the SCR system is not in use. The total emission cap for the facility shall not exceed the limit established in Section D of the final permit. The plant is classified as a Title V major source due to its emissions of regulated air pollutants, and a hazardous air pollutant (formaldehyde).

An electronic copy of the Division's draft permit should shortly become available at <http://www.air.ky.gov/permitting/>. Official copies of the Division's draft permit and relevant supporting information are available for inspection by the public during normal business hours at the following locations:

Division for Air Quality, 200 Fair Oaks Lane, 1st Floor, Frankfort, KY 40601, phone (502) 564-3999; Division for Air Quality, Ashland Regional Office, 1550 Wolohan Drive, Suite 1, Ashland, KY 41102, phone (606) 929-5285; and the Lawrence County Public Library, 102 West Main and Jefferson, Louisa, KY 41230-0370, phone (606) 638-4497.

The Division is soliciting comments on the draft permit and affording the opportunity for a public hearing. To be considered, any written comments or requests for a public hearing must be received within 30 days following the date of this notice. Comments and/or public hearing requests should be sent to Mr. James Morse at the above Frankfort address or email James.Morse@ky.gov. Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the proposed permit. U.S. EPA has up to 45 days following issuance of the proposed permit to submit comments. The status regarding EPA's 45-day review of this project and the deadline for submitting a citizen petition will be posted at the following website address: <http://www.epa.gov/region4/air/permits/Kentucky.htm> shortly after the end of this 30-day comment period. Further information can be obtained by calling Mr. Ben Markin at (502) 564-3999.

The Commonwealth of Kentucky does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aides and services necessary to afford individuals an equal opportunity to participate in all programs and activities. Materials will be provided in alternate format upon request.
